

Campus Success Resources: Help Yourself!

NOTE: Please check the website for each resource to see if it is offered online, in-person, or both for Fall 2023. Mode of offering is subject to change as the semester progresses.

Academic/Tutoring Assistance

The Study

www.uky.edu/thestudy | Multiple locations, including WG3 | 859-257-1356

Provides peer tutoring in many 100-level courses, and assistance with multimodal communication projects.

Academic Coaching

www.uky.edu/acadcoach | Study North (Jewell), Boone Center (central campus) | 859-218-5667

Provides individual coaching on study skills, time management, goal setting, motivation, and other important skills and resources needed to succeed in college.

Elbert C. Ray eStudio

www.engr.uky.edu/estudio | Semester schedule updated each semester.

Provides peer tutoring in engineering-related courses (Tau Beta Pi).

Mathskeller

math.as.uky.edu/mathskeller | White Hall Classroom Building, Room 63 (basement)

Offers TA-led tutoring in 100-level math courses, MA 213, and MA 214.

Gen Chem Learning Center

chem.as.uky.edu/general-chemistry-learning-center | Jacobs Science Bldg., Room 219

Offers TA-led tutoring in 100-level chemistry courses.

Physics Learning Center

pa.as.uky.edu/physics-learning-center | Chem-Physics Bldg., Room 133

Offers TA-led tutoring in physics courses.

Presentation U

www.uky.edu/presentationU/tutoring | Multiple locations and online

Offers assistance with written, oral, visual, and digital communication projects.

Writing Center

wrd.as.uky.edu/writing-center | W.T. Young Library Hub, Room B108B

Offers individual and group consultations (via face-to-face and e-tutoring) on composing and communicating for writing, speaking, and multimedia projects.

Private Tutor

www.tutormatchingservice.com/uky

Tutor Matching Services (TMS) provides UK students and community with simple and easy ways to find a private tutor.

Personal Assistance

University Health Service

ukhealthcare.uky.edu/university-health-service/student-health | 830 S. Limestone | 859-323-2778

Offers multiple healthcare options by appointment at the University Health Service Building.

Financial Wellness

www.uky.edu/financialwellness | 302 Patterson Hall | 859-323-5241

Learn how to effectively handle your evolving financial needs, from living on a budget to paying for school. Individual financial coaching is available!

UK Student Organizations

getinvolved.uky.edu/getting-started or email studentorgs@uky.edu

Helps you find a group of students that share a common interest (major-based or not). This is a great way to meet other students for socialization!

Personal Assistance - continued

Big Blue Pantry

www.uky.edu/concern/big-blue-pantry | White Hall Classroom Building, Room 25 (basement)
Provides storable food for students who are experiencing hunger and food insecurity. Bring your student ID when you visit. Check the link above for current hours.

UK Counseling Center

www.uky.edu/counselingcenter | 104 Mandrell Hall (and online) | 859-257-8701
Provides confidential psychological counseling, consultations, group sessions, and workshops for currently enrolled UK students. Same-day care is available for crisis situations. Also offers self-care apps and a relaxation room that can be used by students.

Disability Resource Center

www.uky.edu/DisabilityResourceCenter | Room 407 Multidisc. Sci. Bldg. | 859-257-2754
Offers disability-related consultations and services for current UK students. If you have a disability or think you may have a disability and need accommodations, please contact this office.

Major/Career Exploration

Engineering Career Development

www.engr.uky.edu/careers | 3rd floor F. Paul Anderson Tower (Student Success Center)
Provides career counseling for engineering students, freshman through senior levels. Includes information on career planning, internships, cooperative education (co-ops), career fairs, resumes, and engineering job opportunities.

Stuckert Career Center

www.uky.edu/careercenter/major-career | 408 Rose St. | 859-257-2746
Provides in-depth interest and skills assessments, career counseling, and experiential learning opportunities for students who are either uncertain about, or considering changing, their major.

GPA Calculator

www.uky.edu/registrar/GPAcalc.htm
Calculates your semester and cumulative GPAs based on the grades you predict in your current courses.

UK Major Finder

www.uky.edu/academics
Provides info on careers commonly associated with any UK major or minor, plus a list of courses you would take for that program. Click on "All Programs" for a complete list of UK offerings.

You can also find a list of resources for College of Engineering here:
